5. On July 3, 2017, the Puerto Rico Electric Power Authority (“PREPA”), by and through the Oversight Board, as PREPA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

6. Through Orders of this Court, the Commonwealth, COFINA, HTA, ERS, and PREPA Title III Cases (together, the “Title III Cases”) are jointly administered for procedural purposes only, pursuant to PROMESA section 304(g) and Bankruptcy Rule 1015 [ECF Nos. 242, 537, 1417].

7. On December 15, 2017, OMM filed the *First Interim Application of O’Melveny & Myers LLP for Allowance of Compensation for Services Rendered and for Reimbursement of Expenses as Counsel to the Puerto Rico Fiscal Agency and Advisory Authority for the Period From May 3, 2017 through September 30, 2017* [ECF No. 2063] for matters related to the COFINA Title III matter (“OMM COFINA First Interim Fee Application”) seeking compensation in the amount of \$2,278,774.28 and reimbursement of expenses of \$48,206.98.

8. Pursuant to the *Fee Examiner’s Initial Report*, filed on March 1, 2018 (the “Initial Report”), the Fee Examiner recommended approval for \$2,278,774.28 in fees and \$48,206.98 in expenses in connection with the OMM COFINA First Interim Fee Application [ECF No. 2645]. On March 7, 2018, such fees and expenses were approved pursuant to the *Omnibus Order Award*

Interim Allowance of Compensation for Professional Services Rendered and Reimbursement of Expenses for the First Interim Compensation Period from May 3, 2017 through September 30, 2017 [ECF No. 2685] (the “First Omnibus Compensation Order”).

9. This application seeks allowance of compensation and reimbursement of expenses incurred by OMM solely in connection with the COFINA related matters described below.

COMPENSATION REQUESTED BY OMM

10. AAFAF has retained OMM pursuant to an engagement letter dated July 6, 2017 (the “Engagement Letter”).³ Pursuant to the Engagement Letter, payment of all fees and expenses detailed in this Application will be made exclusively by AAFAF.

11. OMM’s hourly rates are set at a level designed to compensate OMM fairly for the work of its attorneys and paraprofessionals and are disclosed in detail in the Engagement Letter. Following execution of the Engagement Letter, and in light of the unique facts and circumstances of these Title III cases, OMM agreed to provide a 15% discount on all fees incurred under the Engagement Letter, which is reflected in all Monthly Fee Statements submitted during the Compensation Period.

12. OMM’s rates are appropriate for complex corporate, securities, litigation, and restructuring matters, whether in court or otherwise. The rates and rate structure reflect that such complex matters typically involve great complexity, high stakes, and intense time pressures. As of January 1, 2018, OMM professionals’ rates have increased, as they customarily do.⁴ OMM submits

³ A copy of the Engagement Letter has been provided to the Fee Examiner.

⁴ OMM agrees to submit a list of rate increases to the Fee Examiner upon request.

that the compensation requested is reasonable in light of the nature, extent, and value of such services to provided to AAFAF.⁵

13. During the Compensation Period, OMM did not receive any payments or promises of payment from any other source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between OMM and any other person, other than partners of the firm, for sharing of compensation to be received for services rendered in these cases.

SUMMARY OF SERVICES

14. During the Interim Period, OMM provided important professional services to the Debtors in connection with the Title III Cases. Detailed descriptions of the specific services provided and the time expended performing such services are attached as **Exhibit B**, and a summary of the services OMM provided to the Debtors during the Compensation Period is set forth below.

During the Compensation Period, OMM reviewed and analyzed the various adversary complaints filed against COFINA, researched and analyzed key legal and factual issues asserted therein, prepared responses to certain adversary complaints and motions (including motions to dismiss), engaged in extensive, expedited discovery procedures, and prepared for court hearings. OMM professionals also spent time reviewing and responding to the Ambac Rule 2004 motion as it related to COFINA revenue.
